

# EC DECLARATION OF CONFORMITY

## Manufacturer:

Name: INSTANTA LIMITED  
Address: Canning Rd  
Southport, Merseyside  
PR9 7SN  
Telephone: 01704 501114  
Fax: 01704 501115  
E-mail: [info@instanta.uk.com](mailto:info@instanta.uk.com)  
Website: [www.instanta.com](http://www.instanta.com)

## Description of Equipment:

Product Series: Supreme range of Steam and Water Pressure Boilers  
Product Description: A range of electrically heated, counter-top pressure boilers for use in the commercial catering sector. Units produce large volumes of boiling water and steam.  
Model(s): Supreme 3 and Supreme 6  
Launch date: March 1996  
Year in which CE mark affixed: 1996

## Declaration:

The above mentioned products are inspected and tested in accordance with the company's ISO9001 Quality Management System and conform with the protection requirements of the following Standards and Specifications:

## Standards and Specifications:

97/23/EC - Pressure Equipment Directive  
89/336/EEC - Electro Magnetic Compatibility Directive  
EN 50-081-2 - Generic Emission  
EN 50-082-2 - Generic Immunity

*Manufactured in compliance with EU Directive 2002/95/EC – RoHS (Restriction of Hazardous Substances) and the UK Legislation, RoHS Regulations 2006.*

*Manufactured in compliance with the requirements of the UK Water Regulations/Bylaws*

**Conformity Assessment procedure:**

Finished Pressure Boiler Assemblies are self-certified by Instanta Limited against the above Pressure Equipment Regulations as "Category 1" products. This is supported by Technical Documentation and Internal production control in ISO9001 factory.

Compliance with the UK Water Regulations/Bylaws is assessed and certified by the Water Regulations Advisory Scheme (WRAS) every 5 years.

**Identification:**

All products are badged with the manufacturer's name (Instanta) and model type. This is displayed on the front of the appliance.

A unique serial number is allocated to each individual appliance, which is contained on a rating plate affixed to the rear of the unit. In addition to the serial number, details of the electrical specification, water supply required and working/design pressures are also provided together with the CE mark.

**Quality Assurance System:**

Assessment body: British Standards Institute (BSI)  
P O Box 375  
Linford Wood  
Milton Keynes  
MK14 6LL

System: BS EN ISO 9001: 2000
