

# King Edward Hot Food Merchandiser

*Hot Food Merchandiser Black*

The ideal way to serve and display hot potatoes and many other foods, the King Edward Merchandiser is manufactured to the CE standard, and is made to the same high standards as all our other products. You may already have adequate oven capacity but do you have an attractive point of sale unit to display you're ready to serve food?

The King Edward Hot Food Merchandiser presents your jacket potatoes beautifully with design features your customers will recognise from our traditionally styled potato bakers. It doesn't stop there, you can use this merchandiser for Pies, Pizzas, and Sausage Rolls etc. - in fact any pre-cooked food that you wish to keep hot and on display.

It is a well-known fact that presentation is a vital consideration in any food sales environment; which is why the choice of suitable display equipment is so important.

With doors both front and back for easy loading and self-service if required - it couldn't be easier. **Plug it in and watch your sales soar!**
